# PARENTS – TEACHER MEETING

## Objectives: -

1. To bring home and the institution in the close contact. These days teachers (Trainer) and parents do not come in contact with each other parents also do not know each other in some occasions.
2. To promote the welfare of the trainee in home and community
3. It can prevent behavioral and academic problems.
4. It can encourage student (trainees) to stay in the college
5. It can make a bad situation better.
6. It can ease a teachers' workload.
7. Parents can give teachers insight into their students.
8. It provides context for the trainees' learning.

## Introduction: -

PTM are opportunity for parents and teachers to openly discuss what's happening of teaching institutions and at home. This could be in the form of a positive talk. Ideally, an open honest dialogue between parent and teacher can affect change for the better in students' life. The importance of parent teacher meeting is something we have to keep in mind as educators and parents. We want all students to thrive but it takes the active participation of both parties for that to happen.

## **Conclusion on PTM**

It was a worthwhile experience for this institution. Because, the Progress of students depends on the joint efforts of parents and teachers. It is a prominent and notable feature of the training curriculum. The motive is close interaction of parents with teachers in regards to the progress shown by their works and finding solutions to the problems coming in the way of development of students.
