Response-

Organizational structure of the T. N. Agrawal Teachers Training College is framed, in which, The Principal is the academic and administrative head of the institution. He is assisted by senior most teachers like Asst. Professors and other Faculty. They all follow rules and regulations as prescribed by UGC/State Government for the constituent colleges. Faculty are directly responsible for the academic and curricular development of the students. Staff members have been designated as Criteria in charge and Co-Convener of various committees. For the complete functioning of college activities, more than 27 committees are formed. Every committee consists of committee Co-Convener and members. They together plan for the activities. The function of every committee in the Institution is well defined. All Co-Convener report to Principal for monitors the effective functioning of these bodies. Apart various committees are formed for smooth functioning of various activities of the college like:

4. Student Admission and support:

All information's on admission formalities into different programs and related issues are made available on the official website. Payment of fees and scholarships For are managed both offline and online.

5. Examination System:

Official notifications such as examination related matters result publications are notified through the Notice board and what sap group of students' which is created exclusively for students. All university Examination fee transactions are maintained online.

5. Biometric / digital attendance for staff:

It was installed in the institute in the year 2018 However, constant power failure created technical problems. Moreover, the system failed to register the fingerprints of some of the employees for which the system failed to deliver data and its use was halted indefinitely.

By the order of Bihar govt issued a public notice for the deployment of digital attendance in all Teacher Education Institution. Therefore, an Attendance Terminal which simultaneously supports thermal screening and facial recognition had been installed in 2020.

6. Biometric / digital attendance for students:

The same Attendance Terminal capable of executing triple functions of facial recognition and thermal scanning in addition to attendance recording is presently functioning.
