Non-Teaching Staff Developmental Work Session 2017

Report on Skill in Computer

Activities organized for skill development - On 25.02.2017 (Saturday) at 02:00 pm, for non-teaching staff the co-convener discussed the benefits of computer with non-teaching staff. Non-teaching staff discussed the benefits of computer education.

The present time is the era of computer, without computer education is incomplete in every sphere of life.

All the non-teaching staff was explained about the need and benefits of computer education.

Man has been playing an important role in the development of civilization since the beginning. Well-planned work, lifestyle and continuous search and invention in human beings are more intense than the developing nature then animals.

In today's changing situation computer education is very important for us, especially for all the non-teaching staff those are working in educational institutions. It is very important to have computer knowledge.

Due to computer education, today we can do more work in less Time; we can store all the data. By the help of computer, we show our technical works very quickly.

Finally, to work in an educational institution, all the employees need a lot of knowledge in computer. Which can be put to use at the right time?

5 It is mandatory for the employees at all levels to be present on the day on which the program for skill development has been fixed.

Non-Teaching Staff Developmental Work Session 2017 Report on “Utility of water”

Activities organized for skill development: -

07.03.2017 (Tuesday) at 02:00 PM a meeting held with non-Teaching staff regarding how to utilize water to make human lives effective.

In our daily life we use water in various ways. Water is the best great solvent, that's why we use water for bathing, cleaning utensils, washing clothes and cleaning the floor of the house. Apart from this, it is also used in cooking food, irrigating fields etc. So, we save water from wastage and make the environment worthwhile.

Non-Teaching Staff Developmental Work Session 2019

Report of Women's Rights in India

Today, on 23.05.2019 (Thursday) from 03:00 to 04:00, a meeting was held with all the non-teaching staff on "Women's Rights in India". It is known to all that women's rights are those rights which are the recognized birth rights of every woman or girl child in societies across the world. About the rights given to women by Indian law- Right to equal pay - According to the Equal Labor Act, no one can be discriminated against on the basis of gender when it comes to pay or wages. Right against Harassment to Work Women who are victims of sexual harassment at work have the right to anonymity. To protect her privacy, a woman who has been sexually assaulted can record her statement alone in the presence of a woman police officer or in front of the District Magistrate. We should be conscious regarding this concern.
