The institute equips any one classroom with Projectors to assist in the Teaching Learning activities during the course of the year. The Institutes provides a common computer/Laptop in Teaching faculty staff room. And to store their data in separate pen drive there are 36 headphone in the language laboratory with language proficiency machine provided College fund. These machine is intended to help both in service and prospective teachers of primary, secondary and higher secondary education to acquire language and communicative skills mainly in English in Hindi. The computer laboratory is equipped with 23 System, procured using funds from Tarkeshwar Narayan Agrawal Educational and social welfare foundation. Which are all connected via a local Area Network (LAN). Each system in the computer lab has access to the internet in process. After the long period of poor internet connectivity speed was 4 Mbps and irregular service provided by Reliance jio the Institute shifted to vi Network for internet connectivity and speed is now 11Mbps respectively. Campus Wi-Fi is provided using wireless routers and several repeaters to cover wide area of the institute as possible.
