**ABOUT THE SEMINAR**

By Inspiration & Motivation of Dr. Krishna Murari Agrawal, Secretary TNATTC, College is organizing the seminar on the very important subject- 'Evaluation process in current education system of India'

Evaluation is a broader, comprehensive and inclusive term which includes all types of tests, measurements and assessment. The purpose of evaluation is not only to check the knowledge of the learner but also to make a judgment about the desirability or value of a measure. It is interpreted in the development of the individual in terms of desirable behavioral change in relation to his/her feeling, thinking and actions. Evaluation as a whole includes teaching-learning process, followed by the several assessment techniques such as diagnostic, remedial, and to clarify the objectives of education. It provides guidance, helpful in classification, and helpful in improvement of teaching and learning process. Hence, it is quite evident that evaluation is quite essential for promoting pupil growth. It is equally helpful to parents, teachers, administrators and students. But for a school teacher, it is a tool to craft their whole teaching-learning process and assists them to enhance the learning outcomes. In recent days, there is a lot of innovative methods have been included in all stages of education in general and school education at particular. This workshop is a step towards to meet the vision by acquiring the school teachers in this direction.

**ABOUT THE COLLEGE:-**

T.N.A.T.T.C was established in 2009 was recognized by NCTE, ERC, Bhuneshwar in 2010 and affiliation with VKSU Ara and now from Aryabhata Knowledge University Patna. TNATTC there is a strong focus on discipline and further encouraging its faculty and students to undertake seminars, sports and cultural activities, spoken English classes, TET Preparation classes apart from quality education. This college is situated in Harigaon village in the backwater of a small but a beautiful town Ara, the headquarter of Bhojpur district. It proudly ensconces itself in a prosperous and virtuous village Harigaon the hamlet in Heaven, and boasts to be the native place of Sir Shiv Sagar Ram Goolam, who rose to fame from an indentured laborer to the Father of Nation of Mauritius. Inspired by this priceless genius and true server of humankind, this college was established genius by a young, smart and handsome philanthropist Sri Krishna Murari Agrawal, in the name of his Hon'ble father late Tarkeshwar Narain Agrawal, a noted human businessman. Motivated by its founder and his kund kinsman, this college, since its inception, has taken a solemn vow to dispel the dark clouds of illiteracy & ignorance from this district by producing truly trained teachers who are actually the backbone, spinal cord, corner stone, breathe line and elixir of life for the developing nation like India.

**COLLEGE AT A GLANCE**

Tarkeshwar Narain Agrawal Teachers' Training College was established in 2009 at "Bhugaushti Har ki gaon", Harigaon, after the name of the great Philanthropist esteemed Late Tarkeshwar Narain Agrawal, father of Dr. Krishna Murari Agrawal, Secretary of T.N.A.T.T.C, Harigaon.

This College has well furnished spacious building for B.Ed. and D.El.Ed. wing which is recognised from N.C.T.E, ERC Bhuvaneshwar and affiliated from Anyabhata Knowledge University, Patna. It had also got recognition from Bihar Board for D.El.Ed. course.

This college conduct programmes and Teaching learning activities guided by its outstanding example and Unique vision, mission and values etc, which are revised time to time to make the college best in the field of education to erase the old mistakes and to create a new. T.N.A.T.T.C has a strong focus on discipline and further encouraging its faculty and students to undertake seminars, TET preparation classes apart from quality education.

**Smt. Shanti Agrawal,**  
Chairperson,  
T.N.A.T.T.C, Ara

This Institution is not just a campus that offers Quality Education making achievements possible. By understanding the aspirations of young generation we expose to a nation-wide education and training system. It is heartily blessings for the seminar and welcome to all.

**Smt Anita Krishna,**  
Chairperson,  
T.N.A.T.T.C, Harigaon

We believe in Quality Education blended with professionalism. We try our best to create an enabling environment for the society. I take this opportunity to congratulate all our existing students, faculty and staff who join our institution to achieve their life goal.

**Dr. Krishna Murari Agrawal,**  
T.N.A.T.T.C, Harigaon

My aim is to set a benchmark for the institutions. When we talk about Educational Training college, its aim should be to promote life long education, because it is the first step for people to gain knowledge, critical thinking, empowerment and skills they need to make this society better.

**TITLE OF THE SEMINAR**

**"Relevance of New Education Policy 2020 in the Context of Innovation and modern trends in Education"**

Education is the process of behaviour which modifies the human according to the desired goal. In the current "Pandemic circumstances" with virtual learning replacing in-person learning experiences students & Teacher have been compelled to re-imagine conventional learning & teaching techniques. Introduction of NEP - 2020 such a critical juncture is significant as it details the vision of Education for future generation and will be an essential tool towards building a "self-reliant" India.

The policy implemented broad based, multi-disciplinary, holistic education with flexible curricula, creative combinations of subjects, integration of vocational education and multiple entry and exit points with appropriate certification.

For educational purposes it is widely used to gather information and to do research or add to the knowledge of various subjects.

The commercialization of education brings changes in the traditional concept of education with modernization and globalization the attitude towards teaching and learning has also been impacted.

In modern education system artificial intelligence carries equipping machines with the power to make it's own decision. So, we need to be well acquainted with technology and it's high time to introduce Machine learning, letting play with it, experience it, understand it, which will enhance imagination and creativity.

In this context if teachers will acquire professional competencies and commitment, if they are enabled and empowered to perform their multiple tasks for the demand of present education scenario teacher will achieved professional manner. So, teacher education has to remain effective and functional, its curriculum and related aspects should be renewed according to NEP - 2020 without any delay. To achieve this National objective, the institution of teacher education are highly responsible for preparing the committed and competent teachers to provide quality education, by which it will develop a dedicated unit to build digital infrastructure, digital content and capacity building to help both school and community.

**OBJECTIVES OF THE SEMINAR**

- To make a crystal clear idea about New Education Policy 2020 and innovation process of modern trends of Education.
- To know the relevance of NEP 2020, for present Education scenario of India.
- To know the developmental policy and approaches in Higher Education.
