### **5.4.3 Number of meetings of Alumni Association held during the last five years.**

Alumni are the Brand- Ambassadors of the institutions where they take training from. Educational Institutions are changing the way they see and interact with their alumni community. With the advance of social media- Alumni relationship has taken a different flavor altogether. In this era of social networking the institution connects with their post students does not stop. All institutions have realized how a strong and a positive relationship with their Alumni can benefit them socially, academically and professionally also. A strong Alumni association can be one of the biggest benefiter of an institution that can be contributes toward various developmental activities of the institution.
